New Orleans, Louisiana, February 25, 2014.

LANCE M. AFRICK
UNITED STATES DISTRICT JUDGE

¹ R. Doc. No. 12.

² R. Doc. No. 13.

³ The Court makes an additional observation with respect to plaintiff's objection that her mental limitations were not included in the residual functional capacity (RFC). R. Doc. No. 13-1, at 1-4. The ALJ discussed in detail the evidence of plaintiff's mental impairments and concluded by stating that "the following residual functional capacity assessment reflects the degree of limitation the undersigned has found in the 'paragraph B' mental function analysis." R. Doc. No. 8-2, at 17-18. Although the discussion appeared on an earlier page of the ALJ's decision than the rest of the RFC determination, the ALJ did address plaintiff's mental limitations and consider them for the RFC.
