SECTION "R" (2)

ORDER AND REASONS

The Court has received from defendants Jerry Wayne Kelly, Jr.; 4223 Fountainbleau Dr NOLA LLC; 7927 1/2 Birch St NOLA LLC; and Investment Properties of J&L, LLC, a motion to strike the declarations attached to plaintiff Greater New Orleans Fair Housing Action Center's response memorandum to defendants' motion for summary judgment.¹

Defendants filed the motion for summary judgment, and have had ample opportunity to brief it. They have also filed a reply memorandum. Now defendants effectively attempt to file a sur-reply, without first seeking

For the foregoing reasons, the Court DENIES defendants' motion to strike.
