**DECLARATION OF KATHERINE A. FALLOW IN SUPPORT OF PLAINTIFFS' SUPPLEMENTAL MOTION FOR ATTORNEYS' FEES AND COSTS**

I, Katherine A. Fallow, declare as follows:

1. I am a partner in the Washington, DC office of Jenner & Block, and counsel for Plaintiffs in the above-captioned case. I am thoroughly familiar with the facts, legal issues, and proceedings in this case, and have knowledge of and am competent to testify concerning the matters set forth herein. I submit this declaration in support of Plaintiffs' Motion And Incorporated Supplemental Brief In Support Of Plaintiffs' Motion For Attorneys' Fees And Costs, made pursuant to 42 U.S.C. § 1988, 28 U.S.C. § 1920, Fed. R. Civ. P. 54(d), and Local Rule 54.2 and 54.3.

2. These supplemental papers seek compensation for fees and costs incurred at the time the fee petition was filed (and which were noted in that petition) but which had not yet been invoiced.

3. The first set of fees are those incurred in the preparation of the fee petition. The petition was prepared by myself, along with a mid-level associate, Matthew S. Hellman. In preparing the petition, Mr. Hellman and I performed legal research, assembled and reviewed billing records, drafted and revised the petition, and corresponded with local counsel. Each attorney performed work appropriate to his or her experience, and performed these necessary tasks in a reasonable manner and in a reasonable amount of time

4. Attachment A to this declaration shows the hours and fees expended on preparing the fee petition. The time entries have been edited to protect privileged communications with the client, or to protect aspects of litigation strategy or attorney mental impressions that are protected by the attorney work product doctrine. Attachment A shows the following expenditures.

<u>ATTORNEY</u>	<u>RATE</u>	<u>HOURS</u>	<u>TOTAL</u>
Katherine A. Fallow	\$450	2.0	\$900
Matthew S. Hellman	\$325	28.0	\$9,100

Total	--	30.0	\$10,000
-------	----	------	----------

5. Attachment A also details other fees and costs incurred when the fee petition was filed (and which were noted in that petition), but which had not yet been invoiced, including disbursements for my travel to Louisiana for oral argument on summary judgment and class certification issues.

6. The fees and costs sought in these supplemental papers total \$11,703.53, which yields an award of \$157,574.78 when combined with the fees and costs detailed in the petition,

7. Finally, Attachment B to this declaration provides detail on all disbursements claimed both in these supplemental papers and in the original petition. These disbursements have been redacted to include only those expenses incurred in this litigation. The expenses detailed at pages 39-42 of Attachment B, which total \$2030.40, arose in the course of contemporaneous litigation in Louisiana, Minnesota, and Oklahoma. Accordingly, these expenses, which were incurred in making video tape exhibits in each of those cases, were split three ways equally, resulting in a \$676.80 expense to Plaintiffs in this matter. That figure can be seen on page 4 of the September 14, 2006 invoice that was included with the fee petition.

8. Based on my prior experience with attorneys' fee petitions in civil rights cases and my familiarity with the facts and issues in this litigation, I believe that the hours and expenses itemized in Attachments A and B were reasonably and necessarily incurred on behalf of Plaintiffs.

**I declare under penalty of perjury that the foregoing is true and correct.**

EXECUTED this 3rd Day of January, 2007

Katherine A. Fallow
