This matter is before the Court on the motion for summary judgment by the United States which was filed on February 12, 2009.¹ Because the plaintiff has failed to oppose this motion within twenty days as required by Local Rule 7.5M, the Court must assume that he has no opposition to this motion.² Furthermore, based on the pleadings submitted, the Court finds that the motion for summary judgment should be granted as a matter of fact and law. Therefore, plaintiff's case is dismissed with prejudice.
