MAGISTRATE JUDGE'S REPORT AND RECOMMENDATION

On October 27, 2008, this Court entered an Order, rec.doc.no. 11, advising the plaintiff that he was incumbent upon him, in accordance with Rule 4 of the Federal Rules of Civil Procedure, to arrange for service of process upon the defendants and to provide for payment in advance to the United States Marshal's Office for such service. The Court also granted the plaintiff an extension of time of thirty (30) days within which to effect service and, to this end, directed the plaintiff to contact the United States Marshal's Office, ascertain the amount of advance payment which must be made for service of process, and make such payment to the Marshal's Office so that service could be accomplished. The plaintiff was specifically advised that "failure to comply ... within the time allowed may result in the dismissal of this action without further notice from the Court, in accordance with rule 4(m) of the Federal Rules of Civil Procedure. Id.

Pursuant to Rule 4(m) of the Federal Rules of Civil Procedure, "[i]f service of the summons and complaint is not made upon a defendant within 120 days after the filing of the complaint, the court, upon motion or on its own initiative after notice to the plaintiff, shall dismiss the action without prejudice ... or direct that service be effected within a specified time" In the instant case, inasmuch as the Court has denied the plaintiff's request for in forma pauperis status, the plaintiff is himself responsible for paying the fees associated with effecting service upon the defendants. Upon his failure to make the required payment, the Court entered the above-referenced Order directing him to pay the required fees to the United States Marshal's Office within thirty (30) days.

The record reflects that, despite notice and an opportunity to make such payment, the plaintiff has not complied with the Court's Order. It is therefore appropriate that the plaintiff's action be dismissed, without prejudice, as a result of his failure to timely effect service as mandated by Rule 4 of the Federal Rules of Civil Procedure.

RECOMMENDATION

It is recommended that the plaintiff's action be dismissed, without prejudice, as a result of his failure to effect timely service upon the defendants as mandated by Rule 4 of the Federal Rules of Civil Procedure.

Signed in Baton Rouge, Louisiana, on April 7, 2009.
