CERTIFICATE OF APPEALABILITY

A final order having been filed in the above-captioned habeas corpus case, the court, considering the record in this case and the requirements of 28 U.S.C. § 2253, hereby finds that:

The certificate of appealability is DENIED because the applicant has failed to demonstrate a substantial showing of the denial of a constitutional right.

The certificate of appealability is GRANTED for the below reasons.

The applicant has made a substantial showing that the following issues constitute a denial of a constitutional right: petitioner's Sixth Amendment right to confront and cross-examine adverse witnesses during his probation revocation hearing.

THUS DONE AND SIGNED in chambers at Alexandria, Louisiana this 12th day of August, 2013.
