NOTICE OF CORPORATE DISCLOSURE STATEMENT REQUIREMENT

NOTICE TO FILER:

The Notice of removal filed on January 29, 2008 by Gatehouse Media Louisiana Holdings Inc and Newsleader Inc was the first appearance by this party. According to Fed.R.Civ.P. 7.1, “the first appearance of a non-governmental corporate party requires a corporate disclosure statement.” Additionally, the rule requires that a corporate party “promptly” supplement the statement upon any change in the information that the party previously provided to the court.

In accordance with this new rule, the United States District Court, Western District of Louisiana now requires that a corporate party who makes a first appearance in a case must file two copies of a corporate disclosure statement either identifying any parent corporation or corporation holding 10% or more of its stock holdings or file a statement stating there is no such parent corporation or other corporation holding stock in the corporation. For pending cases in which a corporate disclosure statement has not previously been filed by any non-governmental corporate party, the court also requires such a statement be filed as soon as possible.

A corporate disclosure statement must be electronically filed or submitted within 10 days from the date of this notice or the matter will be referred to the court for further action to enforce compliance. If you feel this notice has been issued in error or the filer is not a non-governmental corporate party, please submit a document declaring same.
