Archie Paul Joseph
Defendant

Judge Doherty

Magistrate Judge Methvin

Notice of request for Filing of Documents

Dear Judge Doherty or Magistrate Judge Methvin:

The Plaintiff is now submitting a Proposed Order to File Attached Documents, Stating Certificate of Service. It does Appear that Mr. Alexander is being Victimized because he has repeatedly defended his Constitutional Rights. Perhaps the Court has Overlooked the Pain, Suffering, Struggle, and Abuse this person has been battling for Eight Years. This Initial Law Suit was un-avoidable, due to the un-justifiable and mistaken Attorney Burden, imposed by the SSA Mr. Alexander was Intentionally Denied Disability benefits , Struggled, and Forced to hire an worthless Attorney that conducted perjury to obtain funds. It is very disturbing to apply for disability benefits that was initially Five Years of back pay, of which Two years was Granted. Mr Alexander did ~~not~~ pay the Attorney the sum of One Thousand Dollars for three hours of services, which was refused by the Attorney. Mr. Alexander did find himself with three years of deprived Disability Benefits and stuck with the burden of Paying a Lying Attorney, who couldn't defend himself in a Court. Grounds for Law Suit.

It is only Demonstration of Justice and Mr. Alexander Defending his Constitutional Rights. Why is Mr. Alexander being wrongly accused by the District Court? Mr. Alexander is presently receiving disability benefits of \$15,000 annually, of which \$8000.00 is out of the pocket expense for Medication and Insurance. **(Mr. Alexander did not need to lie to defend his Rights).** We must

Exhibit "B"
Dockets.Justia.com

understand and "**NOTE**" that, the Social Security Taxes that are deducted from employee pay roll checks are saved in Trust Funds for Disabled and Retired workers. Will File a Criminal Complaint if necessary. Please acknowledge the proposed reduced Judgment amount. The Attorney Archie P. Joseph is Guilty of Perjury and Theft!!!!!!!!!! Respectfully submitted by:

Osza J. Alvin 01-03-2009
