***ORDER***

This lawsuit was removed from a local state court based on the allegation of defendant Computers for Business Management, LTD's that the matter in controversy exceeds \$75,000 and that this court therefore has diversity jurisdiction under 28 U.S.C. §1332. As required by a standing order of this court, the undersigned has reviewed the record to determine whether the required jurisdictional amount has been established.

Plaintiff Service Department LLC seeks to enjoin defendant from proceeding with any demand letters. These amounts include "\$11, 7 119.00" for breach of contract; and demand letters to its customers for several items. Plaintiff offers several examples including \$718 for monitoring fees \$9108; \$2168 for non-payment of camera equipment. Plaintiff also claims

payment in the amount of approximately \$43,171.<sup>1</sup> Plaintiff also claims \$20,000 for a back-up solution that failed.

A review of the Complaint shows that the requisite jurisdictional amount has been established. Accordingly, no additional briefing is required.

Signed at Lafayette, Louisiana on September 30, 2009.
