JURISDICTIONAL AMOUNT REVIEW

This complaint on two open accounts and for breach of contract was filed directly in federal court under 28 U.S.C. § 1332. Plaintiff alleges that it provided defendant drilling, workover and/or ancillary services on two open accounts and that defendant has failed to pay the amounts due it on the accounts. Plaintiff seeks \$376,308.75 plus interest, costs, expenses and attorneys fees for failure to pay the amounts due on the two accounts and \$376,308.75 plus interest for the breach of the two contracts. A review of the Complaint shows that the requisite jurisdictional amount has been established. Accordingly, no additional briefing is required.
