MAGISTRATE JUDGE HANNA

JUDGMENT

This matter was referred to United States Magistrate Judge Patrick J. Hanna for report and recommendation. After an independent review of the record, and noting the absence of any objections, this Court concludes that the Magistrate Judge's report and recommendation is correct and adopts the findings and conclusions therein as its own.

Accordingly, **IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED** that the Commissioner's decision is **REVERSED** and **REMANDED** for consideration of updated medical, mental health, and school records and for a determination of whether the claimant meets or equals the listings for mental retardation, organic mental disorders, or personality disorders, consistent with the report and recommendation.
