## I. BACKGROUND

A. The United States of America ("United States"), on behalf of the Administrator of the United States Environmental Protection Agency ("EPA"), filed a complaint in this matter pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. § 9607, as amended ("CERCLA"), seeking reimbursement of response costs incurred for response actions taken at or in connection with the release or threatened release of hazardous substances at the Hows Corner Superfund Site in Plymouth, Maine ("Site").

B. The State of Maine ("State") also filed a complaint against the defendants in this Court alleging that the defendants are liable to the State under Section 107 of CERCLA, 42 U.S.C. § 9607, and 38 M.R.S.A. § 1367. The State in its complaint seeks reimbursement of response costs incurred for response actions taken at or in connection with the release or threatened release of hazardous substances at the Site.

C. The defendants that have entered into this Consent Decree ("Settling Defendants") do not admit any liability arising out of the transactions or occurrences alleged in the complaints.

D. The United States, the State and the Settling Defendants agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Decree, it is hereby ORDERED, ADJUDGED, AND DECREED:

#### VII. COVENANTS BY PLAINTIFFS

11. Covenant by the United States. Except as specifically provided in Paragraph 12 (Reservation of Rights by the United States), the United States covenants not to sue Settling Defendants pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover Past Response Costs. The covenant not to sue shall take effect with respect to Settling Defendants upon receipt by EPA of all payments due from Settling Defendants under this Consent Decree. With respect to Settling Defendants, the covenant not to sue is conditioned upon the satisfactory performance by Settling Defendants of its obligations under this Consent Decree. The covenant not to sue extends only to Settling Defendants and does not extend to any other person.

12. Reservation of Rights by the United States. The covenant not to sue set forth in Paragraph 11 does not pertain to any matters other than those expressly specified therein. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendants with respect to all other matters, including, but not limited to:

a. liability for failure of Settling Defendants to meet a requirement of this Consent Decree;

- b. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- c. criminal liability;
- d. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606; and
- e. liability for costs incurred or to be incurred by the United States that are not within the definition of Past Response Costs.

13. Covenant Not to Sue by the State. Except as specifically provided in Paragraph 14 (Reservation of Rights by the State), the State covenants not to sue Settling Defendants, pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), and 38 M.R.S.A. § 1367, to recover State Past Response Costs. The covenant not to sue shall take effect with respect to Settling Defendants upon receipt by the State of all payments due from Settling Defendants under this Consent Decree. With respect to Settling Defendants, this covenant not to sue is conditioned upon the satisfactory performance by Settling Defendants of its obligations under this Consent Decree. This covenant not to sue extends only to Settling Defendants and does not extend to any other person.

14. Reservation of Rights by the State. The covenant not to sue set forth in Paragraph 13 does not pertain to any matters other than those expressly specified therein. The State reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendants with respect to all other matters, including, but not limited to:

- a. liability for failure of Settling Defendants to meet a requirement of this Consent Decree;
- b. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;

- e. liability for costs incurred or to be incurred by the State that are not within the definition of State Past Response Costs.

#### VIII. COVENANTS BY SETTLING DEFENDANTS

15. Settling Defendants covenant not to sue and agree not to assert any claims or causes of action against the United States, the State, or any party to the Consent Decrees entered in *U.S., et al. v. Allen's Transfer & Storage, et al.*, Civ. No. 00-249-B-C (D. Maine); *U.S., et al. v. Gerald Pelletier, Inc.*, Civ. No. 05-92-B-W- (D. Maine); or *U.S., et al. v. A & S Motors, Inc. Et al.*, Civ. No. 01-237-B (D. Maine), or their contractors or employees, with respect to Past Response Costs and State Past Response Costs or this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of response actions at the Site for which the Past Response Costs or State Past Response Costs were incurred; and

c. any claim against the United States or the State pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to Past Response Costs or State Past Response Costs or any other law.

16. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

17. Except as provided in Paragraph 18, Settling Defendants agree not to assert any claims and to waive all claims or causes of action that they may have for “matters addressed” in this Consent Decree, including for contribution, against any person where the person’s liability to Settling Defendants with respect to the Site is based solely on having arranged for disposal or treatment, or for transport for disposal or treatment, of hazardous substances at the Site, or having accepted for transport for disposal or treatment of hazardous substances at the Site.

18. The waiver set forth in Paragraph 17 shall not apply with respect to any defense, claim, or cause of action that Settling Defendants may have against any person if such person asserts a claim or cause of action relating to the Site against Settling Defendants. The waiver set forth in Paragraph 17 shall not apply with respect to insurance carriers.

#### IX. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

19. Except as provided in Paragraph 17, nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Settling Defendants expressly reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which Settling Defendants may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

20. The Parties agree, and by entering this Consent Decree this Court finds, that Settling Defendants are entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), for “matters addressed” in this Consent Decree. For purposes of this Paragraph and Paragraph 17, the “matters addressed” in this Consent Decree are Past Response Costs and State Past Response Costs.

21. Settling Defendants agree that, with respect to any suit or claim for contribution brought by it for matters related to this Consent Decree, they will notify EPA, DOJ and the State in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendants also agree that, with respect to any suit or claim for contribution brought against them for matters related to this Consent Decree, they will notify EPA, DOJ and the State in writing within ten days of service of the complaint or claim upon them. In addition, Settling Defendants shall notify EPA, DOJ, and the State within ten days of service or receipt of any Motion for Summary Judgment, and within ten days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

22. In any subsequent administrative or judicial proceeding initiated by the United States or the State for injunctive relief, recovery of response costs, or other relief relating to the

Site, Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States or the State in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant by Plaintiffs set forth in Section VII.

#### X. RETENTION OF RECORDS

23. Until seven years after the entry of this Consent Decree, Settling Defendants shall preserve and retain all records and documents now in their possession or control, or which come into their possession or control, that relate in any manner to response actions taken at the Site or the liability of any person for response actions conducted and to be conducted at the Site, regardless of any corporate retention policy to the contrary.

24. After the conclusion of the document retention period in the preceding paragraph, Settling Defendants shall notify EPA, DOJ and the State at least 90 days prior to the destruction of any such records or documents, and, upon request by EPA, DOJ or the State, Settling Defendants shall deliver any such records or documents to EPA or the State. Settling Defendants may assert that certain documents, records, or other information are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendants assert such a privilege, they shall provide Plaintiffs with the following: (a) the title of the document, record, or information; (b) the date of the document, record, or information; (c) the name and title of the author of the document, record, or information; (d) the name and title of each addressee and recipient; (e) a description of the subject of the document, record, or information; and (f) the privilege asserted. However, no documents, reports, or other information created or generated pursuant to the requirements of this Consent Decree shall be withheld on the grounds that they are privileged. If a claim of privilege applies only to a portion of a document, the document shall be provided to Plaintiffs in redacted form to mask the privileged information only. Settling Defendants shall retain all records and documents that they claim to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Defendants' favor.

25. By signing this Consent Decree, Settling Defendants certify individually that, to the best of their knowledge and belief, they have:

a. conducted a thorough, comprehensive, good faith search for documents, and have fully and accurately disclosed to EPA and the State, all information currently in their possession, or in the possession of their officers, directors, employees, contractors or agents, which relates in any way to the ownership, operation or control of the Site, or to the ownership, possession, generation, treatment, transportation, storage or disposal of a hazardous substance, pollutant or contaminant at or in connection with the Site to the extent that any such information has been requested by EPA or the State;

b. not altered, mutilated, discarded, destroyed or otherwise disposed of any records, documents or other information relating to its potential liability regarding the Site, after notification of potential liability or the filing of a suit against Settling Defendants regarding the Site; and

c. fully complied with any and all EPA requests for information regarding the Site pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), as well as any and all State requests for information pursuant to 38 M.R.S.A. § 1364(3).
