ORDER VACATING RECOMMENDED DECISION

On January 13, 2012, I entered a Recommended Decision to Dismiss the Complaint in the above-referenced action because the Plaintiff had failed to comply with this Court's Order dated December 13, 2011, which required that he file a completed *in forma pauperis* application by January 4, 2012.

I now order that the Recommended Decision dated January 13, 2012, be VACATED.

So Ordered.
