FURTHER PROCEDURAL ORDER

According to the plaintiff's Status Report, her doctor will not know until June 22, 2017, whether the plaintiff has reached a medical end-point and what, if any, will be lasting disabilities or lingering effects. At this time therefore, I continue to **SUSPEND** all deadlines in this case, require a further report by July 3, 2017, and **DEFER** ruling on the motion to dismiss until then.

SO ORDERED.
