**ORDER IN LIEU OF PRE-FILING CONFERENCE**

The Court has reviewed Defendant’s Notice of Intent to Move for Summary Judgment (ECF No. 17) and the Preconference Memoranda received from both sides (ECF Nos. 22 & 23). Having reviewed these filings, the Court concludes that no conference is necessary and hereby ORDERS that the following procedure be followed in connection with the to-be-filed motion:

On or before **January 28, 2019**, the parties shall file a joint stipulated record using the “Stipulated Record” event in CM/ECF. The first page of the Stipulated Record shall consist of a list describing each exhibit submitted. Each exhibit shall then be clearly labeled and separately attached to this filing. The Stipulated Record may include any exhibits and depositions<sup>1</sup> (including any exhibits to the depositions) that both sides agree will be referenced in the statements of material fact. The inclusion of any exhibit in the Stipulated Record does not prevent any party from later objecting to the admissibility of the document. Likewise, the submission of a joint record does

In the absence of an agreement on what constitutes a complete deposition excerpt, counsel shall include the complete deposition in the joint record.

not prevent either side from submitting additional documents with their respective statements of material fact.

The Court encourages the parties to file stipulations of fact that could serve to further streamline the parties' statements of material fact. The Court reminds the parties that they are free to indicate that any such stipulations are admissions solely for the purposes of the to-be-filed summary judgment motion. See D. Me. Local Rule 56(g). Any stipulations will be considered by the Court in ruling on the motion and need not be reiterated or referenced in the statements of material fact. The parties are free to submit any stipulations on or before **February 4, 2019**.

On or before **February 4, 2019**, Defendant shall file its outlined motion for summary judgment. The motion for summary judgment shall not exceed thirty (30) pages.

On or before **March 4, 2019**, Plaintiff shall file his opposition to the pending motion for summary judgment. This response shall not exceed thirty (30) pages.

On or before **March 25, 2019**, Defendant shall file its reply in support of Defendant's motion for summary judgment, which shall not exceed twenty-five (25) pages.

The Court also expects the parties' summary judgment filings will comply with all aspects of Local Rule 56. Absent prior court approval, Defendant's statement of material facts shall not exceed one hundred (100) paragraphs. Any additional statement of material facts by Plaintiff shall not exceed one hundred (100) paragraphs. The parties are reminded that Local Rule 56(f) requires specific record citations for all facts submitted in a statement of material facts. Absent a specific citation, the Court has no duty to consider any part of the record submitted. To the extent any party will rely on a page of the joint record for a specific citation, the Court encourages the parties to use the "PageID #" generated by CM/ECF, particularly if the alternative pin citation may not be readily apparent to the Court.

With respect to the prior Scheduling Order deadlines (ECF Nos. 7, 11 & 15), it appears that the only deadlines that may remain after the anticipated motion for summary judgment is the ready for trial deadline and any trial-related motions deadlines. These deadlines shall remain stayed until the Court issues its ruling on the motion for summary judgment. To the extent that issues remain for trial after the motion for summary judgment is decided, the Court anticipates that this case will be placed on the next available trial list following the Court's summary judgment decision and that pre-trial motions shall, to the extent practicable, be filed prior to any final pretrial conference.

SO ORDERED.
