To the extent that any request for extension ultimately seeks an extension of the respective deadline for final submission to the Court, that request for extension shall be directed to the Court. Any such request shall explain the reason the extension is needed, whether the other side consents to the extension and also indicate the position of the Special Master as to the requested extension.

Beginning on **December 1, 2008**, counsel shall file joint monthly status reports.

D. Next Status Conference

Based on the deadlines contained in this Order, the Court anticipates being able to hold a status conference in May 2009. In its order setting the date and time for this conference, the Court will set deadlines for pre-conference submissions, including a status report from the Special Master and proposed orders or injunctions that terminate the Consent Decree and/or should be entered upon the Court's termination of the Consent Decree.
