JUDICIAL (JOINT) NOTICE

This is to serve your office notice, with relations to the court ruling decision entered in docket No. CA. CCB-05-2526, RONNIE BAZILE VS. NFL-BALTIMORE RAVENS(S), PROPERTIES, INC. (2005), a case legal controversial dispute subject of a return process review.

What this judicial notice regards ether Corporate Market high profile project(s), for instance among "GIANT THEATER MOVIE(S)", most recent, is called, "NO RESERVATION," with actors and actress of character(s) and titles that are perfectly alike, also, with more than "Twins" quite similar those within case records in theaters produced and own by WARNER BROS. PICTURE(S), who is no stranger to my area of career success ver-sions. But this one, from this area of reactions proves critical targets and influence, in ether words, they don't all "mean what it seems" and "serves to incite", TOO OBVIOUS and DIRECT (By the way, i haven't seen a Television in ever (13) years)
