v.	:

**SUPPLEMENT TO STATUS REPORT OF DEEFENDANTS FRED PHELPS AND
WESTBORO BAPTIST CHURCH**

Defendants Fred W. Phelps, Sr., and Westboro Baptist Church (collectively, "Defendants"), respectfully submit this supplement to their Status Report, as follows:

a. **Whether discovery has been completed.**

Defendants clarify that Defendants have completed answering the discovery requests sent by Plaintiff to Defendants, except that Defendants continue to supplement the documents provided in response to Plaintiff's request for production of documents, pursuant to the governing rules.

Defendants are not saying that Plaintiff has completed discovery. Although Plaintiff has filed responses to interrogatories and document production requests, Plaintiff, like Defendant, has ongoing obligations under the governing discovery rules to supplement his discovery responses under those rules. Related to that, around August 13, 2007,

undersigned counsel asked Plaintiff's counsel Craig Trebilcock to assist in obtaining all medical records from Plaintiff's doctors that have not already been produced to Defendants (the last production date having been January 2007), in the hopes of obviating the need for Defendants to seek such records by subpoena, and Mr. Trebilcock agreed to provide such assistance.

Additionally, Defendant Fred Phelps and Defendant Westboro Baptist Church each served upon Plaintiff a separate set of Requests for Admission on August 13, 2007, and Plaintiff's response is pending .

Respectfully submitted,
