Honorable Richard D. Bennett
United States District Court

Re: Snyder v. Phelps, et al., Civ. No. 1:06-cv-01389-RDB

Dear Judge Bennett:

Defendants Fred W. Phelps, Sr., and Westboro Baptist Church respectfully inform the Court that they join in the relief sought in the e-mailed letter (attached hereto) to the Court dated February 27, 2008, from *pro se* defendants Shirley Phelps-Roper and Rebekah Phelps-Davis. Said letter by the *pro se* defendants requests either to strike the requirement to obtain certified financial records or else to provide time beyond April 15 (tax season) to obtain such information.

Furthermore, Timothy Phelps -- who is the corporate designee for Westboro Baptist church -- confirmed this week to undersigned counsel that Westboro Baptist Church and Fred Phelps have never used a certified public accountant.

Consequently, Defendants Fred W. Phelps, Sr., and Westboro Baptist Church respectfully ask to be granted the relief requested in this letter.

Respectfully,
/s/ Jonathan L. Katz
