We have reviewed the record and the commission's opinion and find that this appeal is without merit. Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Redding v. Community Living Alternatives, VWC File Nos. 179-74-29; 179-74-30; and 235-44-43 (June 7, 2010). We dispense with oral argument and summarily
