BARBARA J.H. HOUSE

v.

OCWEN LOAN SERVICING, INC.

:  
:  
: CIVIL NO. CCB-12-3499  
:  
:  
: ...o0o...

**MEMORANDUM**

Plaintiff Barbara House filed a complaint against defendant Ocwen Loan Servicing, LLC (“Ocwen”), in the Circuit Court for Baltimore County. The case was removed to this court on the basis of diversity jurisdiction. 28 U.S.C. § 1332. Ocwen filed a motion to dismiss under Rule 12(b)(5) and (6) based on lack of proper service and for failure to state a claim. House has responded, but has not in any way clarified the nature of her claim. Because the complaint fails to state a set of facts that would plausibly support any recognizable claim against Ocwen, it must be dismissed. *See Ashcroft v. Iqbal*, 556 U.S. 662 (2009).
