UNITED STATES JUDICIAL PANEL on MULTIDISTRICT LITIGATION

IN RE: CTP INNOVATIONS, LLC, PATENT LITIGATION

MDL No. 2581

(SEE ATTACHED SCHEDULE)

CONDITIONAL TRANSFER ORDER (CTO -6)

On December 12, 2014, the Panel transferred 9 civil action(s) to the United States District Court for the District of Maryland for coordinated or consolidated pretrial proceedings pursuant to 28 U.S.C. § 1407. *See* _F.Supp.3d_ (J.P.M.L. 2014). Since that time, 6 additional action(s) have been transferred to the District of Maryland. With the consent of that court, all such actions have been assigned to the Honorable Marvin J Garbis.

It appears that the action(s) on this conditional transfer order involve questions of fact that are common to the actions previously transferred to the District of Maryland and assigned to Judge Garbis.

Pursuant to Rule 7.1 of the <u>Rules of Procedure of the United States Judicial Panel on Multidistrict</u> <u>Litigation</u>, the action(s) on the attached schedule are transferred under 28 U.S.C. § 1407 to the District of Maryland for the reasons stated in the order of December 12, 2014, and, with the consent of that court, assigned to the Honorable Marvin J Garbis.

This order does not become effective until it is filed in the Office of the Clerk of the United States District Court for the District of Maryland. The transmittal of this order to said Clerk shall be stayed 7 days from the entry thereof. If any party files a notice of opposition with the Clerk of the Panel within this 7–day period, the stay will be continued until further order of the Panel.

Inasmuch as no objection is pending at this time, the stay is lifted.
