Civil No. – JFM-15-2513

MEMORANDUM

Two motions are pending in the present case: defendant's motion to strike and plaintiff's motion to consolidate.

Defendant's motion to strike will be denied. In light of the *pro se* status of plaintiff, I am reluctant to strike pleadings filed on her behalf. Of course, I will prevent a jury from viewing inappropriate documents.

Plaintiff's motion to consolidate is denied. There is no other action pending in this court with which this action could be consolidated.
