RE: *CoStar & NRB v. Centers & Malls, LLC, Galvin & Hayes*
Our File No.: 06107MD001

Dear Mr. Diercks:

This is in response to your letter of June 14, 2007 in which you designated as "Confidential Information" the entire deposition transcripts of Guy Hays, Robert Galvin and Garrett Van Sclen. Pursuant to Paragraph 2 of the Protective Order, please be advised that the plaintiffs contest this designation.

The vast majority of the testimony in each of the three depositions did not involve "Confidential Information" as defined in the Protective Order. We are requesting that you withdraw this global designation for each of the transcripts and designate the specific portions of the transcript containing confidential information. Typically, this is accomplished through the designation by page and line of the portions of the transcript that contain confidential information.

Please advise me on or before June 19th whether you will withdraw your global designation and make a detailed designation by page and line of the portions of the deposition transcripts containing confidential information. If I do not hear from you by June 19th, we will draft a motion requesting that the court remove the confidential designation from the three transcripts. We would prefer to resolve this amicably so as to avoid additional attorneys fees.

If you would like to discuss this, please give me a call. I look forward to hearing from you on or before June 19, 2007.

Sincerely yours,
