Hi Linc,

The following people will start on Tuesday, July 5th at noon. I have told them their schedules for the week would be 12:00 to 6PM, but that it could possibly change:

Joan Okyere  
Samuel Adarkna  
Christopher Holmes

Colin Carmello's phone # is 301-926-7345.

I have just had a conversation with Lolita; I terminated Lolita and Delores Gonzalez, as you asked me to do; Elizabeth Ledesma was there and she said she told you today that if you fired Lolita, she would quit. She has given me her verbal resignation and asked that their checks be sent to them at their home addresses.
