Hi Danielle,

I am on my way to Gaithersburg today to pick up this report. Unfortunately, the person who alleges the S.H. speaks very little English, so communication with her on the phone has been limited, and she is reluctant to make out the report (I believe due to the fact that she fears losing her job). I hope to have the report by this afternoon, but will be unable to transmit it until Monday.

Blockbuster has asked that by this Friday April 15th, a formal report be submitted to BB (Scott) in particular by your firm. He has asked me to communicate this to you so that they can attend to this pending situation/allegation as soon as possible.

Thank you for your assistance in this regard.
