1 some -- there was some corporate documents and stuff
2 which is in Chris's office. I don't know what has
3 been maintained, what hasn't been maintained. I
4 wasn't exposed to the merger at all.

5 Q Well, when you came in the offices were
6 already essentially set up, because they were
7 previously Vendare's offices, the offices you came
8 into; right?

9 A There were desks and phones and a skeleton,
10 you know, crew of folks. But yeah, there was
11 operations.

12 Q Okay.

13 A Yeah.

14 Q As far as you understand, the Mountain View
15 office was also operational with people moving
16 following the merger; right?

17 A Yes, the Mountain View office was in
18 existence prior to the merger.

19 Q Are you aware of any sort of purge of
20 documents at or around the merger?

21 A No. I don't know anything about that.

22 Q Okay. Earlier you said that e-mail
23 advertising currently is a smallest source of your
24 revenue; is that right?

25 A Yeah.

1 Q About how much revenue is that?

2 A I don't even know. It is -- when I say it
3 is minor, it's -- my sales guys don't even really
4 offer it because we just don't have the distribution.
5 We don't have -- it doesn't make us much money. We're
6 not going to put in resources that doesn't make us
7 money.

8 Q Okay. But what I'm trying to understand,
9 these six to 12 or so e-mail affiliates that you say
10 you currently have, how much revenue are they bringing
11 into the company?

12 MR. ROTHMAN: Objection. We're not
13 providing that information.

14 MR. ONORATO: That's not a basis for
15 objection.

16 MR. ROTHMAN: We've objected. It is going
17 to be a subject of your motion to compel that you have
18 been talking about. We'll deal with it after the
19 court makes a ruling. We've objected to it. I think
20 he testified. In any event, he doesn't know, so you
21 are not going to get anywhere anyway.

22 THE WITNESS: I don't know the numbers.

23 MR. ONORATO: I understand your objection.

24 BY MR. ONORATO:

25 Q Okay. So now, since you came on in November
