Re: *Life Technologies Corp. v. Life Technologies Corp., et al.*
RWT-10-3527

Dear Counsel:

A copy of a Report and Recommendations rendered in the above-captioned case is enclosed. Any objections you wish to make thereto must be filed with the court **within 14 days** (September 8, 2014) pursuant to Federal Rule of Civil Procedure 72, a copy of which also is enclosed.

After the time for filing written objections has expired, the United States District Judge will review the Report and Recommendations whether or not you have filed written objections to it. If you should fail to file written objections within the time set forth above (or within the time of any extension specifically granted by the court) and the United States District Judge subsequently adopts the Report and Recommendations, you will have lost your right to appeal the finding of the Report and Recommendations to the United States Court of Appeals.

Sincerely yours,

/s/

William Connelly
United States Magistrate Judge
