Howard,

It's now been more than a month since we first sent the attached letter to you regarding Roche's inappropriate designation of Dr. Kadesch's deposition transcript. Given our otherwise courteous relationship, I am surprised and disappointed by your failure to respond in any way to my repeated inquiries. I do not believe Roche can legitimately dispute that Dr. Kadesch's transcript was improperly designated, and it consequently would be a shame to have to involve the Court in this matter, but we cannot let this issue remain pending much longer.

I look forward to your prompt response.

Regards,

Kevin

Howard,

In light of our conversation at the Borun deposition last week, it seems prudent to send you this again.

Regards,

Kevin
