Re: *Amgen Inc. v. F. Hoffman-La Roche, LTD., et al.*

Dear Tom and Hank:

Depending on how much time is taken by the Lin and Browne examinations, we may move Mr. Kung up in the witness order. We expect his testimony to be very short.

In addition, we intend to move the following laboratory notebooks into evidence tomorrow, either during testimony or an evidentiary hearing. Please let us know if you object to the introduction of any of the following exhibits:

CBP, CEV, CFA, CBQ, CDA, CFA

Regards,
