Pat,

We haven't heard from you to confirm today's scheduled meet and confer regarding Roche's responses to Amgen's RFA's, so we assume you are not available today. Please let us know your availability tomorrow for a meet and confer.

Thank you,
Krista

Let's say 11 am (PST) on Tuesday. Does that work for you or Pat? Let me know if there will be more than one person on your end attending. If not, we could call you or Pat directly and not set up a teleconference number. Thanks.
