Re: *Amgen Inc. v. F. Hoffmann-La Roche Ltd., et al.*
Case No. 05 Civ. 12237 WGY

Dear Tom:

As promised during our meet and confer yesterday, I am providing deposition dates and Rule 30(b)(6) witness identity for some of Amgen's witnesses.

Individuals:

- Alex Lyons is available for deposition on March 22.
- Thomas Strickland – Roche requested a deposition date of March 9. This date is most likely acceptable. We expect to confirm this on Friday, March 2.
- Helen Torley is available for her individual deposition on March 19.
- Graham Molineux is available during the week of March 26.
- Fu-Kuen Lin is out of the country until March 12. We will determine his availability as soon as he returns.
- Daniel Vapnek is out of the country until next week. We will determine his availability as soon as he returns.
- Joan Egrie is willing to appear voluntarily on March 23 for a non-video deposition. If Roche insists on videotaping the deposition, Dr. Egrie will require Roche to issue a subpoena for her appearance.
