

**LODISH DECLARATION
EXHIBIT A**

DR. HARVEY F. LODISH

CURRICULUM VITAE

DATE AND PLACE OF BIRTH: November 16, 1941 - Cleveland, Ohio

CITIZENSHIP: U.S. CITIZEN

SOCIAL SECURITY NUMBER: 294-36-1951

EDUCATION: 1959-1962 Kenyon College, Gambier, Ohio, A.B., Summa cum laude. Highest Honors in Chemistry and Mathematics

1962-1966 The Rockefeller University, New York, New York; Ph.D. received in 1966

POSITIONS HELD:

1958-1960 (summers) Research Assistant, Case Western Reserve University School of Medicine, Cleveland, Ohio

1961 Research Assistant, Stanford University, Department of Chemistry, Stanford, California

1962-1966 Graduate student, The Rockefeller University, New York, New York

1966-1968 Post-doctoral Fellow, Medical Research Council Laboratory of Molecular Biology, Cambridge, England

1968-1971 Assistant Professor of Biology, Massachusetts Institute of Technology, Cambridge, Massachusetts

1971-1976 Associate Professor of Biology, Massachusetts Institute of Technology, Cambridge, Massachusetts

1976-present Professor of Biology, Massachusetts Institute of Technology, Cambridge, Massachusetts

1977-1978 Visiting Scientist, Imperial Cancer Research Fund, Lincoln's Inn Fields, London, England

1982-present Member, Whitehead Institute for Biomedical Research

1994-present Associate Member, M. I. T. Cancer Center

1999- present Professor of Bioengineering, Division of Biological Engineering, Massachusetts Institute of Technology

HONORS: 1961 Phi Beta Kappa

- 1962-1966 Rockefeller Institute Fellowship
- 1966-1968 American Cancer Society Postdoctoral Fellowship
- 1971-1975 National Institutes of Health Research Career Development Award
- 1977 John Simon Guggenheim Memorial Fellowship
- 1982 D.Sc. (honorary) Kenyon College
- 1986 Fellow, American Association for the Advancement of Science
- 1987 Elected to Membership, National Academy of Sciences
- 1989 American Diabetes Association William C. Stadie Award
- 2000 Fellow, American Academy of Microbiology
- 1996 Associate Member, European Molecular Biology Organization (EMBO)
- 1997 Establishment of the Harvey F. Lodish Award for Service at the Whitehead Institute
- 1997 Fellow, American Academy of Arts and Sciences
- 1999 Establishment of the Harvey F. Lodish Career Development Chair in the Sciences at Kenyon College
- 2000-2003 Chair, Section 22, Cellular and Developmental Biology, National Academy of Sciences
- 2002, 2003 Nominating Committee, National Academy of Sciences
- 2004 President, American Society for Cell Biology
2003, President- Elect
2005, Past President
- 2007 Chair, Nominating Committee, American Society for Cell Biology

SOCIETIES:

- Sigma Xi
- American Chemical Society
- American Association for the Advancement of Science

American Society for Microbiology

American Society of Biochemistry and Molecular Biology

American Society for Cell Biology

President, 2004

President- Elect, 2003

American Diabetes Association

American Society of Hematology

ENDOWED/ NAMED LECTURESHIPS:

- 1984 Robert and Ester Stadler Lecture, M.D. Anderson Hospital, Texas
- 1984 Richard Fineberg Memorial Lecture, U. California, San Francisco Medical Center
- 1986 Jacobs-Parpart-Ponder Memorial Lecture, Red Cell Club/Biophysics Society, San Francisco
- 1986 Harvey Society Lecture
- 1986 State of the Art Lecture, annual meeting of the American Society of Nephrology
- 1987 John Muntz Memorial Lecture and Award, Albany Medical College
- 1987 Plenary Lecture, annual meeting of the American Society for Clinical Investigation
- 1987 Jeanette Piperno Memorial Award and Lecture, Temple University, School of Medicine
- 1987 University Lecture, University of Texas Medical Center, Dallas
- 1987 Barton Lecture, University of Oklahoma, Norman
- 1988 Novo Foundation Lecturer, University of Copenhagen
- 1989 Stadie Lecture, American Diabetes Association Philadelphia Affiliate
- 1989 Philips Lecturer, Haverford College
- 1989 Green Lecturer, European Molecular Biology Laboratory
- 1989 Piché Lecture, McGill University and Université de Montreal

- 1989 Staples Visiting Professor, University of Maine
- 1990 Wellcome Foundation Visiting Professor, University of Oregon Health Sciences Center
- 1990 Massachusetts Biotechnology Council Lecturer, American Chemical Society Annual Meeting, Boston
- 1990 Visiting Professor, University of Wyoming
- 1990 Hirschmann Lecturer, Oberlin College
- 1991 Keynote Endowment Award Lecture, University of Maryland
- 1991 Roerig Visiting Professor in Diabetes, University of Washington
- 1991 Plenary Lecture, American Society of Hematology
- 1992 Plenary Lecture, Sero Symposium on Cell Biology and Biotechnology
- 1992 Presidential Symposium speaker, 24th Congress of the International Society of Hematology, London
- 1992 Berson Memorial Lecture, Ninth International Congress of Endocrinology, Nice
- 1992 Plenary Lecture, Ninth International Biotechnology Symposium and Exposition, Crystal City, Virginia
- 1993 Plenary Lecture, International Society for Experimental Hematology, Rotterdam
- 1993 Distinguished Lecturer in the Medical Sciences Series, Mayo Clinic/ Mayo Foundation, Rochester, Minnesota
- 1994 Sackler Visiting Lecturer, Sackler Institute of Advanced Studies, Tel Aviv University, Israel
- 1994 Address, Presentation Ceremony, Rosenstiel Awards, Brandeis University
- 1994 16th annual Jim McGinnis Memorial Lecture, Duke University, North Carolina
- 1994 Sigma Xi Lecturer, University of South Dakota School of Medicine
- 1994 Harry Eagle Memorial Lecturer, Albert Einstein College of Medicine

- 1995 Keynote address, FASEB Summer Research Conference, Snowmass, Colorado
- 1995 Keynote Lecture, Howard Hughes Medical Institute, Undergraduate Program Directors Meeting
- 1996 Distinguished Lecturer, Harvard School of Public Health
- 1996 Plenary Lecture, International Symposium on Insulin Receptors and Insulin Action, Copenhagen, Denmark
- 1996 Keynote address, 14th Meeting of the European Society for Animal Cell Technology, Vilamoura, Portugal
- 1997 Honors Lecture, New York University School of Medicine
- 1997 Keynote Lecture, International Cytokine Symposium, Lake Tahoe, Nevada
- 1997 Keynote Lecture, Opening of Astra Research Center Montreal
- 1997 Keynote Lecture, Opening of Novo Nordisk Research Center, Beijing
- 1998 Keynote Lecture, Annual Meeting of the Swiss Societies for Experimental Biology
- 1998 First Howard Hughes Medical Institute Lecture, Kenyon College
- 1998 Keynote Lecture, Nature Biotechnology Conference “Pharmaco-Genesis: Postgenomic Drug Discovery Through Developmental Biology”
- 1998 Director’s Lecture, National Institutes of Health, Bethesda, MD
- 1998 Keynote Address, 15th Annual Student Research Forum, Oregon Health Sciences University
- 1999 Robert Wong Visiting Professor, John A. Burns School of Medicine, University of Hawaii at Manoa
- 1999 Keynote Lecture, Phage Display, Novel Therapeutics and Diagnostics, Boston, MA
- 1999 “Horizon” Lecture, Lerner Research Institute, Cleveland Clinic, Cleveland OH
- 1999 Alexander and Helena Schonfeld Lecture in Medicine, Washington University School of Medicine, St. Louis, MO
- 2001 Keynote address, Yale University Graduate Student Research

Symposium

- 2001 Distinguished Lecturer, Harvard School of Public Health
- 2001 Graduate Student Distinguished Lecturer, Louisiana Health Sciences Center, Shreveport
- 2001 Physiology and Biophysics Distinguished Seminar, University of Iowa Medical Center
- 2001 Bashour Distinguished Lecture, U. Texas Southwestern Medical School, Dallas
- 2002 Hugh Davson Lecture, FASEB Meeting
- 2002 Keynote lectures, the 75th Annual Meeting of the Japan Endocrine Society, Osaka
- 2002 Keynote lecture, Society of General Physiologists Woods Hole Conference on Cell Biology of Membrane Transport Proteins
- 2002 Dean's Lecture; Mt. Sinai School of Medicine, New York
- 2002 Rachford Lecture, University of Cincinnati Medical School
- 2002 Frontiers in Biology Lecture, Stanford University Medical School
- 2003 Biomedical Research Council Distinguished Visitor, Economic Development Board and Biomedical Research Council, Government of Singapore
- 2003 Plenary Lecture, Fourth Combined Scientific Meeting, National University of Singapore
- 2003 Keynote Lecture, First meeting of the Society for Adipocytokine Research, Tokyo
- 2003 Keynote Lecture, Graduate Student Research Day, Wayne State University, Detroit MI
- 2004 Plenary Lecture, American Diabetes Association Annual Meeting, Orlando
- 2004 Plenary Lecture, joint meeting of the International Cytokine Society and the International Society for Interferon and Cytokine Research, San Juan, Puerto Rico
- 2005 Keynote lecturer, University of Maryland Baltimore Graduate School Symposium
- 2005 Pritchett Lecture, The University of Alabama at Birmingham

- 2005 Dean's Distinguished Seminar speaker, University of Colorado School of Medicine, Denver
- 2005 Stan Gill Memorial Lecture, University of Colorado, Boulder
- 2005 Plenary Lecture, First Annual Scientific Meeting, Asian-Pacific Diabetes and Obesity Study Group, Kobe, Japan
- 2005 Plenary Lecture, 10th Adiposcience Symposium, Osaka, Japan
- 2005 Keynote Lecture, Albion Science Symposium, Albion College, Albion MI
- 2005 Danny Thomas Lecture, St. Jude Medical Center, Memphis TN
- 2005 Distinguished Lecturer, National Jewish Medical and Research Center, Denver, CO
- 2005 Dean's Distinguished Lecturer, University of Arkansas Medical Center, Little Rock
- 2005 Dean's Distinguished Lecturer, Georgetown University Medical School, Washington DC
- 2006 Choh Hao Li Memorial Lecture, Academia Sinica, Taipei, Taiwan
- 2006 Keynote Lecture, ASME 2006 Summer Bioengineering Conference, Amelia Island, FL
- 2006 First Distinguished Lecturer, National University of Singapore Office of Life Sciences
- 2006 Keynote Lecture, Korean Society for the Study of Obesity, Seoul
- 2006 Leukaemia Research Fund Annual Guest Lecture, London UK
- 2006 Heremans Memorial Lecture, Christian de Duve Institute of Cellular Pathology and the University Catholic of Louvain, Brussels

EDITORIAL BOARDS:

- 1974-1980 and 1982-1987 Journal of Biological Chemistry
- 1974-1977 Journal of Cell Biology
- 1976-1988 Nucleic Acids Research
- 1978-1987 Journal of Supramolecular Structure (now Journal of Cellular Biochemistry)
- 1979-1987 Virology
- 1980-1981 Associate Editor; Molecular and Cellular Biology
- 1982-1987 Editor; Molecular and Cellular Biology

- 1984-1991 CRC Critical Reviews in Biochemistry
- 1991-1999 Science, Board of Reviewing Editors
- 1996- 2000 Editorial Board, Proceedings of the National Academy of Sciences

GRANT REVIEW PANELS:

- 1972-1975 National Science Foundation Advisory Panel in Developmental and Cellular Biology
- 1976 Special National Institutes of Health Study Section on Diseases Affecting Hemoglobin Synthesis
- 1978-1982 American Cancer Society Study Section on Nucleic Acid and Protein Synthesis
- 1979-1983 Scientific Advisory Committee, Medical Foundation
- 1986 Chairman, National Heart, Lung, and Blood Institute Special Review Committee: Molecular Characterization of Ion Channels in the Myocardial Sarcolemma
- 1986 Cystic Fibrosis Foundation Study Section, September
- 1987 Scientific Advisory Committee, Damon Runyon-Walter Winchell Cancer Fund
- 1989 Special Study Section; National Heart, Lung and Blood Institute Review Panel: Program of Excellence in Molecular Biology
- 1989-1991 NIH Cellular Biology and Physiology Study Section
- 2000 *ad hoc* Member, NIH Cellular Metabolism Study Section

MEETING ORGANIZATION:

- 1975 Gordon Research Conference on Animal Cells and Viruses, Vice Chairperson
- 1976 Gordon Research Conference on Animal Cells and Viruses, Chairperson
- 1976 Co-organizer: Dictyostelium meeting at Cold Spring Harbor Laboratories, May 12-15
- 1984 Co-chairman, National Heart, Lung, and Blood Institute Symposium: Frontiers in Basic Sciences, the Plasma Membrane

- 1985 Co-chairman, Gordon Research Conference on Red Blood Cells
- 1985 Co-organizer, Whitehead Institute Symposium: Cell Receptors
- 1988 Co-organizer, Whitehead Institute Symposium: Molecular Neurobiology
- 1988 Co-organizer, National Institute of Diabetes and Digestive and Kidney Diseases Colloquium: Gene Regulation and Cellular Signaling in Diabetes
- 1989 Chairman, Gordon Research Conference on Membrane Molecular Biology
- 1991 Organizer, Technology Day, M.I.T. "The impact of molecular biology on human health"
- 1992 Co-organizer, Whitehead Institute Symposium: Cell Interactions in Development and Disease
- 1992 Symposium chairman, American Society of Cell Biologists Annual Meeting: Cell Surface Receptors Controlling Cell Proliferation and Differentiation
- 1993 Chairman, M.I.T. Biotechnology Process Engineering Center Workshop: New Strategies for Cloning Mammalian Proteins
- 1995 Co-organizer, Whitehead Institute Symposium: Signal Transduction
- 1999 Co-organizer, Whitehead Institute Symposium: The Biology of Drug Discovery
- 2000 Co-organizer, Whitehead Institute Symposium: Molecular Machines
- 2005 Co-organizer, NIDDK Workshop on Stem Cell Niches
- 2005 Chair, Whitehead Institute Symposium: Cell Signaling: Switches, Connectors, and Circuits

OUTSIDE ADVISORY COMMITTEES:

- 1976-1977 NIAID Virology Task Force
- 1977-present Consulting Scientist in Medicine (Hematology/Oncology) Children's Hospital Medical Center, Boston.
- 1977-present Consulting Scientist in Pediatric Oncology, Dana-Farber Cancer Institute.
- 1977-1982 Scientific Advisory Committee of the Dana-Farber Cancer Institute
- 1979 and 1986 Nominating Committee, American Society of Biological Chemists

- 1982 Advisory Panel, Department of Biochemistry, University of Pennsylvania Medical School
- 1982 Advisory Panel, Department of Physiology, Case Western Reserve University Medical School
- 1983-1985 Council - American Society of Cell Biology
- 1983-1986 Chairman, Constitution and By-Laws Committee -American Society of Cell Biology
- 1985-1991 Advisory Board, Children's Hospital Medical Center Clinical Research Center, Boston.
- 1986-1996 Advisory Board, Center for Gastroenterology Research on Absorptive and Secretory Processes, Tufts-New England Medical Center, Boston
- 1986-1999 Scientific Advisory Board, Division of Basic Sciences, Fred Hutchinson Cancer Research Center, Seattle
- 1988-1999 Chair of Scientific Advisory Board, Division of Basic Sciences, Fred Hutchinson Cancer Research Center, Seattle
- 1986-1991 Scientific Advisory Board, Biozentrum, Universitat Basle, Basle, Switzerland
- 1988-1993 Scientific Advisory Committee, European Molecular Biology Laboratory, Heidelberg
- 1988-1997 Advisory Committee Member, PEW Scholars Program in Biomedical Sciences
- 1989-present Board of Trustees, Kenyon College
(Executive Committee 2003 – present)
- 1989-2001 International Advisory Committee, National Laboratory of Biomolecules, Beijing, P.R.C.
- 1991-present Scientific Advisory Board, Cystic Fibrosis Center, Case Western Reserve Medical School, Cleveland
- 1991-1992 Chairman, International Panel for Evaluation of Danish Research in Biochemistry, Denmark.
- 1992 Biology Department Visiting Committee, Haverford College, Haverford

- 1992-2002 Advisory Board, Cleveland Clinic Research Institute, Cleveland (Chair 1992 – 1996)
- 1993-1997 Advisory Board, Rosenstiel Award, Rosenstiel Center, Brandeis University
- 1996 - 2002 Scientific Advisory Board, ZMBH (Center for Molecular Biology Heidelberg) Heidelberg, Germany
- 1997 - present Board of Trustees, Massachusetts Eye and Ear Infirmary, Boston
- 1998 - 2000 Scientific Advisory Board, Institute for Human Nutrition, Columbia University College of Physicians and Surgeons
- 1999 – 2002 External Evaluation Board, BioCenter Oulu, University of Oulu, Finland
- 1999 - present Visiting Committee, Division of Biology, California Institute of Technology
- 2001 Workshop on Future Directions of Biochemical Engineering, Bioengineering and Environmental Systems Division, National Science Foundation
- 2002 Visiting Committee, Beth Israel Deaconess Medical Center, Boston MA
- 2002 – 2005 Advisory Board, Life Sciences Institute, University of Michigan
- 2003 – 2008 Scientific Advisory Board, Children’s Hospital, Boston
Chair 2004 – 2008
- 2004 - 2008 Board of Trustees Research Committee, Children’s Hospital, Boston
- 2005 – 2006 National Advisory Board, College of Engineering of the University of California, Santa Barbara
- 2006 - 2009 Board of Trustees, Children’s Hospital, Boston
