***Re: Amgen, Inc. v. F. Hoffmann-La Roche Ltd, Roche Diagnostics GmbH, and
Hoffmann-LaRoche Inc., Civ. No. 05-CV-12237WGY, D. Mass.***

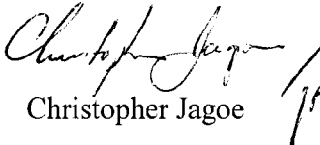

Dear Jonathan and Deborah:

I have not received any response from you to my letter of March 13th regarding the continuation of Dr. Strickland's deposition and the production of certain documents and things. To make the necessary arrangements, I need to know by the end of the day today if Dr. Strickland will be appearing on March 22nd as I proposed in my letter.

If the 22nd is unworkable, I am willing to negotiate another day. To that end, please propose alternative dates.

On the other hand, if Amgen is refusing our request to make its employee Dr. Strickland available to continue his deposition at any time before the close of fact discovery in this case, and is refusing to produce the requested items in my letter, please state the basis for such refusals. Your response will serve as a "meet and confer," and if necessary we will seek appropriate recourse with the Court.

Very truly yours,

Christopher Jagoe
