Subject: Roche protocol numbers

Deborah,

I am writing to follow up on your conversation with Chris Kemnitz and me earlier today regarding the list of Clinical Trial Services Agreements/Clinical Trial Agreements between DaVita and Roche, produced to you as DVA-AMGEN0000001. After consulting with counsel for Roche, who is copied on this email, DaVita hereby provides you with the protocol numbers for the two studies omitted from DVA-AMGEN0000001. The protocol numbers are ML20336 and ML20338. At this time, DaVita will not be providing any information about these studies beyond the protocol numbers, per our instructions from Roche. Should you believe this disclosure is inadequate, we request that you notify DaVita and Roche at your earliest convenience. To the extent you believe additional discovery is appropriate, please contact counsel for Roche and attempt to resolve the issue.
