STATUS CHANGE UNDER 37 C.F.R. §1.28(b)

Hon. Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Sir:

This serves as confirmation of the notification dated August 11, 1987 of change in status potentially resulting in loss of entitlement to small entity status for the above-identified application. More specifically, this confirms the notation of change in status reflected in the "Notice of Allowance and Issue Fee Due" (signed by the undersigned counsel of record on August 11, 1987) which was accompanied by an "other than small entity" fee check in the amount of \$560.00. Attached hereto is a photocopy of the
