Dear Michael and Deborah,

We are in the process of reviewing Judge Young's ruling on Roche's motion to seal, below. I understand that the recent motions to seal by Amgen and Fresenius have also been denied. I suggest that we confer about this matter before filing any of the papers claimed to be confidential in the public record. I will contact you separately to discuss this.

I am copying all counsel of record on my request that Roche's confidential documents not be filed in the public record at this time.

Thank you for your attention to this matter.

Regards,
Julia
