Thank you. Is it possible to move the call to 9:00 a.m. PST? I'm sorry it has been so difficult to nail this down.

Actually no. I think that amgen and roche are still technically under an obligation to meet and confer and report to the court. If Rusty wants to see if the court still wants something, I am not opposed, but unless the court rescinds the order I think we have to comply.

Subject Tomorrow's call

Is it safe to assume that tomorrow's call is cancelled?
