Deborah,

Hans Tschiltsch of World Courier GmbH will be delivering the sample and as you requested, he will delay delivery until 8:30 am. His cellphone number is +49 151 53909273. You will be receiving the pages of the BLA containing the proper growth conditions this evening in a separate e-mail.

Thanks,

Subject growth culture conditions

Dear Pat,

I am waiting to hear back from you on the appropriate growth and culture conditions for Roche's production cell line. If Roche refers Dr. Kolodner to portions of its BLA for the appropriate growth and nutrient conditions, please understand that we will be providing those pages to Dr. Kolodner for his use and reference.

Thank you,
Deborah
