Subject: HC Meeting

Hey guys,
I have compiled a brief list of issues that I thought need to be resolved/discussed. I think its imperative that we meet before thanksgiving, so that we can mete out the tasks and aim to have them completed after the holiday. The week after the holiday is an ideal time to launch this site, cause people will be rested and won't have a lot of school work. Tyler, myself, and Divya will be taking care of most all of the miscellaneous, and marketing parts of the list. Tyler and I are pretty free/flexible for the next couple of days (aside from crew practice) and I think we will leave no earlier than tues night. Mark, you mentioned that you may be free monday night, so let's aim for that unless something else comes up. Lets meet in the kirkland house dinning hall around 7pm. Talk to you later
