See this is all bullshit . Floyd didn't sign no copyright and trademark agreement's and that's why the case went off. It's highly like Floyd will go to do very little jail time if any . The money about will be huge . Floyd will just have to deal with it you just don't go in to Federal Court with no case. So we will see Bye. I will not post no more because I really liked at one time watching all of this. But boby long post but no name of a band throught. Floyd go fuck yourself Coon

So when the heat comes in the kitchen you hurl racial insults and waltz away.... nice. Whenever anyone called you on info, ... hell I even gave you a name to drop to show that I was in some part of the loop for a time.... you simply do not respond.

That is lame lamokia.... very lame indeed. I asked you who you were, and I told you I use my real name to post... nothing from you yet, what a suprirel

Classy!
The 1930's called, they want their racial slur back! They think it would be magnanimous!!
