Re: *Aguiar v. Webb et al.*, Civil Action No. 07-11673-MLW

Dear Clerk,

Enclosed for filing in the above referenced matter, please find a CD containing two computer files. These files are Exhibits A and B to the Declaration of Floyd Webb in Opposition to Plaintiff's Motion for Preliminary Injunction. This declaration was filed today through the CM/ECF system.

After consultation with your office, I came to understand that I could not file these exhibits electronically, because they are moving picture files. Therefore, as discussed, I am delivering these by hand, and requesting that they be filed along with the aforementioned declaration.

Thank you for your attention to this matter, and please feel free to contact me if you have any questions.

Very truly yours,

David Kluff  
Counsel for Defendant Floyd Webb
