I exposed you and that's why you are so pissed to go around someone who own's the copyright's That's bad business practice's. William had given you a chance to resolve these issue's but you didn't want that.

Everybody know's that I own nothing no trademark's and no copyright's so why so mad at me Floyd. My dad shot the footage everybody now's that. William's and my dad's paper work will put you down.

As for fair use you should have used best practice's . Not some back yard drug dealer deal's that you and Barron have used. One of you guys have said let's work this out and come to a business deal . Know your comin to Boston for copyright infrigement not fair use. You wanted this you got it.

Floyd you should have just dealt with Billy alone but you made it this way. William is willing to deal with you but no you didn't want that. Like I said I want the film to be made. But you chose side's to bring down the real member's of the Black Dragon fighting Society by chosing Ashida/ Barron Sheppard's side.

Who have been stealing the book and the name for year's all of this has come to a head. You didn't chose the right side and know look were your at know. And Brandy Karl isn't buying you any time . The court thing is going to happen . You have created this mess and only you can stop it by being a man and contacting William. And doing the right thing.

All of your cheap ass hustle's are not going to work. One way or another he's going to take a piece of you. You may get some fair use but the price is going to be to high to pay.

It's not about money it's about setting these thing's straight. Your all in the conspiracy and it's going to stop. Because William is going to stop it or until you come to your sense's . When an injuction goes in on Friday you have got nothing . William is going to drag this out for year's. Your will need Brandy Karl and Hoag to defend you. Once the injuction is in and you violate that order it become's a criminal proceeding. Did I get your attention know. Get in touch with William and get the copyright's done and come to an agreement or go to court. You will have to come to Boston 10 or 15 time's Brandy will show you around she graduated from Harvard.

I wish you got Lawrence Lessing he's like Fuckin YODA when it come's to this shit . He's a fuckin legend I would love to meet him. Take care Floyd good luck. Their will be no responce's. Remember this is not fair use it's about copyright infrigement for the last 2 year's. Hope your telling the truth to these people.

Who said I was mad at you? I just think you are not trustworthy, that you are a lying, deicietful sumbitch. No sense in me being mad at you for being you?

Hell, I would be mad all day everyday. And I ain't that kind of time to spend on the likes of you.
