Re: Christa's letter

[Redacted]

I have seen this and the other letter. Here is the problem with this entire case. Floyd is making a claim that he is really infringing any rights?
Here is why I ask, if he were using the BDFs and WKF logos to promote a martial arts school then Kim is guilty as charged. All Floyd is doing is telling a story. As such he is not misrepresenting him self. The footage of Dante doing the dance of death and the 1968 book. I think that these items would not try and use these items to promote a martial arts school there should be no problems

He learned to shoot a gun in that trooped Lee Harvey Oswald. There was a special commission set up to investigate the death of a commission determined that Dante locked himself in his apartment in Chicago because he was afraid of the street. It turns out that Ashida kim was working for the Florida mafia and was going to do a hit behind the JFK assassination. Bruce Lee was hired by a strip club owner out of Dallas to make sure Lee would be killed. Lee was secretly poisoned before he could perform the hit. But here is the real kicker which deal with the help of John Patrick. Patrick sold secret documents for \$2,500 to help cover up a CIA agent (a secret operative) that needs to make sure the truth does not come out. If Floyd gets it out that would be. Therefore he has to do what ever he can to stop this movie.</p> <p>Hopefully this clears everything up</p> <p>Misc S. </p>

Ashida Fraud

This forum was started for one purpose, as a retaliation against Radford "Ashida Kim" Davis for committing FRAUD AND COPYRIGHT INFRINGEMENT against the BLACK DRAGON FIGHTING SOCIETY. We had the truth on our side regardless of what "Ashida" claims or what any of his inbred friends choose to believe. Since that time Radford Davis has had his website suspended until he removed all reference to the B.D.F.S. and Count Dante, which he did because he had no other choice if he wanted to keep his website. Once again, regardless of what he says in that ludicrous, delusional rant "Do, o Politics" on his website, this suspension occurred because the B.D.F.S. had truth and the law on its side. It had nothing to do with "politics", it had to do with FRAUD AND COPYRIGHT INFRINGEMENT, which is illegal.

At this point I have said the last I am going to say on the subject.

Ashida Kim, fraud, thief, con-man

Some may shake their head, some may say "why bother?" but they have not had their organization victimized by a scam artist like Ashida Kim. First of all, as anyone with a brain knows, there is no such person as "Ashida Kim", this is an alias. Years ago he purchased a copy of Count Dantes book "World's Deadliest Fighting Secrets" by mail, which included a Black Dragon Fighting Society membership card. For some reason he now considers himself the Grandmaster of the B.D.F.S. and is currently engaged in criminal fraud by selling illegal pirated copies of the "Worlds Deadliest Fighting Secrets" through his website. Because of this, and also because I just want to do my small part to piss off him and his band of babbling records, I decided to start this forum. DEDICATED TO TRUTH, JUSTICE AND THE DOWNFALL OF THE CLOWN PRINCE OF THE MARTIAL ARTS, ASHIDA KIM.

Kimmy

1. Kim attended a seminar held by Dante possibly late sixties early seventies. Consider: most seminars have a duration of less than half a day (4 hours)

2. Kim was given or purchased a copy of the WDFS. How many others at seminar did the same?

3. Included with WDFS was a little black card that very couple in cheek made people "members" of the BDFS.

How many others at that seminar were made "members"?

The point I'm making re: Radford's big claims to the BDFS is quite obvious, even to the boneheads that still think he is the grand poo-bah of the

Radford Kim's claim of meeting Count Dante at a seminar is really the first time I have ever even heard of the Count conducting seminars to the public. But of course if Ashida Davis says it, that makes it so.

BDFS Membership Card

Wouldn't it be real cool if everyone who purchased the WDFS and received a "membership" card came out of the woodwork and claimed to be the hand picked successor to Count Dante! It'll give Bill one hell-eva migraine, but we can let them all fight it out and come back and start fresh once the bodies are cleaned away. A great marketing ploy by Dante in the late sixties, very good for business; but now look what he started! If a younger pimply faced Kalford Davis hadn't got hold of one of those cards this wouldn't be happening.

One thing that always made me suspect about Kim's meeting with Dante on the street did no version as per Kim's website..... Why would Dante teach a group of protesters that included a black street gang to go up against the trained and armed Chicago Police Department???

We know the protest happened but the Dante/Kim/street gang involvement? Gimme a break!

Hey An, you know what all of Ashita's B.S. reminds me of? People who claim to have been abducted by aliens. Now no one can prove 100% that they are just telling tales of fantasy and imagination just to get attention like Ashita; but the rest of us don't need to have 100% positive proof to know with a high degree of certainty that they are full of sh!t, we can think for ourselves and don't have to follow their "because I say it that makes it so" mentality.

This is what Ashita Davis cannot tolerate, anyone who thinks for themselves. Just look at his forum and the way he behaves whenever anyone asks a question he highness does not like being asked, usually anything to do with his training and background. He just loses it, "COCKSUCKER, MOTHERFUKKER, ASSHOLE TROLL!!!" If his band of merry misfits can't see how unstable and unbalanced this guy is, they deserve to get laughed at and ridiculed right along with him.

You know what I think the B.D.F.S. should do, since Ashita Davis thinks it's ok for him to sell pirated copies of "Worlds Deadliest Fighting Secrets", I think we should buy some Ashita Kim books and offer them for free download on the internet.

Geo, I bet we would even make his "SHIT LIST".

What's the difference between Ashida Kim and a dog turd? Ashida has ears.
What does Ashida Kim have in common with a dog turd? They both don't know shit about ninjutsu.
Why does Ashida Kim like to sniff dog turds? They smell better than his books.
Why does Ashida Kim like to eat dog turds? They're cheaper than dog food.
Why is Ashida **BETTER** than a dog turd? He can fill a bigger hole.

Feel free to post your own Ashida humor!

Dojo Press

If you want a real good laugh compliments of 'ol Radford Kim, have a look at the book section of his Dojo Press website. Take a look at the "book" titled "Ninja Magick". You will have to click on it to see the enlarged picture of the book, but have a look at the guy on the cover! I would guess by the look of that guys eyes that "Ninja Magick" has something to do with smokin' some REA.LLY good weed! 🤔

Hang on a second Mad Monk! You have just insulted the late Count Dante! If you read Asnita's story you'll see that the magician le la was born 9 months after Dante gave up the ghost and after starting his training with Radford he realized that he knew Kata Dante (their description of Dance of Death) instantly as it had awakened memories of another life. Guess what, I've got a packet of Dante's personal blended cigarettes at home that he used to distribute amongst his friends. Maybe we're

Mr. and Mrs. KIM's boy, Ashida.

Thought I'd check out Bu'shido, especially after reading that thread about Ashida and his fake certificates on Bill's BDFS forum.

F*ck me! Ashida's a trash a** over Bu'shido!

He has even turned to quoting threats from the old Arnie Schwarzenegger movie (I mean the Barbarian!)

Don't like someone wrote on Bu'shido, Kim/Ractor/Davis has stolen everything so, why not movie quotes?

Re: Mr. and Mrs. KIM's boy, Ashida.

I think the ONLY place you can read ANYTHING positive about Ashida is on his own message board, but I would think that guy now even his mad f*va! would be questioning his sanity. He's even making threats to KILL now. Now I'm all scared again and my dogs back hiding under the bed!

Another challenger asked about his 10 thousand dollar challenge, but true to form, ol' Ashida can't give a straight answer. He even stipulated that the guy had to send him the 10 grand before he would even TALK to him about it. It just amazes me that there seems to be so many idiots that are so willing follow such an obvious fraud. He considers himself a "Grandmaster", but anytime he is questioned or anything about him is challenged he just seems to lose it, calling people "co*ksuckers" and "motherf*ckers, does that sound like the language of a "Grandmaster"?

MAD MONK

NOW THE WORLD'S DEADLIEST FIGHTING SECRETS CAN BE YOURS...

THE SUPREME GRAND MASTER OF THE

BLACK DRAGON FIGHTING SOCIETY

brings you the forbidden secrets of

DIM MAK

"The Death Touch"

in this exclusive book!

"THE DEADLIEST MAN ALIVE!"

Bringing to you these forbidden and secret fighting arts is the Supreme Grand Master of all the fighting arts — Count Dante who won the World overall Fighting Arts Championship (Master & Expert Divisions) after defeating the top Judo, Boxing, Wrestling, Karate, Gung Fu, Aikido, etc. masters in 'Death Matches'. On Aug. 1, 1967 the World Federation of Fighting Arts crowned the Count — "The World's Deadliest Fighting Master."

THIS BOOK CAN SAVE YOUR LIFE

The FORBIDDEN and SECRET training manual of the BLACK DRAGON FIGHTING SOCIETY has never before been available to anyone outside of the Society. Recent attempts for regular publication and public exposure have been rejected as the contents were considered HORRIFYINGLY DANGEROUS and BRUTALLY VICIOUS. Yes, this is the DEADLIEST and most TERRIFYING fighting art known to man — and WITHOUT EQUAL, its MAIMING, MUTILATING, DISFIGURING, PARALYZING and CRIPPLING techniques are known by only a few people in the world. An expert at DIM MAK could easily kill many Judo, Karate, Aikido and Gung Fu experts at one time with only finger tip pressure using his murderous POISON HAND WEAPONS. Instructing you step by step thru each move in this manual is not other than COUNT DANTE — THE DEADLIEST MAN WHO EVER LIVED.

BLACK DRAGON FIGHTING SOCIETY
The BLACK DRAGON FIGHTING SOCIETY is the WORLD'S DEADLIEST FIGHTING ORGANIZATION which has included in its closed membership the top fighting experts of the DREADED CHINESE TONG SOCIETY — the oriental, and more vicious counterpart of the Mafia. Its members, who are the world's top Masters in the oriental flail and grappling arts, train in the most SECRET and FORBIDDEN aspects of the DEADLY Chinese fighting arts of GUNG FU, TAI CHI CHUAN, CHUAN-FA, XEMPO, HSING TI, PA-KUA, SHAOLIN BOXING and DIM MAK.

Until recently the forbidden training secrets of the society have been closely guarded by the members who were sworn to secrecy and joined together thru their initiation ceremony of blood. Breaking thru their initiation ceremony meant death by torture to the offender.

Now for the first time their FORBIDDEN SECRETS OF TERROR can be shared with you.

BREAK A BRICK
Included in the manual is a GUARANTEED method of brick and board breaking enabling anyone to break a brick or board after only minutes of training. THIS IS NO EXAGGERATION. THERE IS NO TRICK OR GIMMICK. There is nothing to be held in the hand, or any hand brace needed, and no special stout bricks or boards are needed. This is the same method that many famous Karate Masters use.

POISON HAND
Considered by many as evil and cruel, the lethally savage ripping, tearing, slinking, clawing and gauging techniques which comprise

the POISON HAND ARSENAL are used to attack (by strike, touch or pressure) the nerve centers, pressure points, major blood vessels and vital organs of the body. You will learn the original 77 "POISON HAND" techniques of ancient China in actual photographs showing them in application. These are not photos of drawings, but actual photos of COUNT DANTE applying these torturing techniques which are meant to maim, fatigue, cripple and kill and have been used by oriental terrorists and assassins to MURDER!

OUR \$10,000 GUARANTEE

We cannot guarantee to make you a Fighting Arts Master or even an expert, as this is up to you; but we can make a \$10,000 GUARANTEE that this book is DEADLIER than any other book, manual or course ever published anywhere, at any cost and that it was, as mentioned before, refused for past publication due to its extremely FEROCIOUS nature. We also guarantee that the "WORLD'S DEADLIEST FIGHTING SECRETS" contains the most SECRET and FORBIDDEN attack and defense methods ever devised by man and that the DIM MAK and POISON HAND techniques are completely authentic and the WORLD'S DEADLIEST FIGHTING FORMS. World's Deadliest Fighting Master

THE LAST CHAPTER

the martial arts entirely, he had drifted into other fields of endeavor after Concevic's demise.

One was pornography. Chicago Police listed him as the owner of an adult bookstore. In fact, he was involved in a chain of them. "Involved" means different things, depending on whether you believe Dante's version or that of others. Some said he owned the chain, but John told BLACK BELT, "All I do now is kind of supervise the chain for some people in the organization. I just make sure that nobody gets out of line, and nobody tries to muscle in." His students aimed that he grossed \$4,000 a week.

Dante was into drugs, but nobody was ever sure how deep. For publication, he'd only say, "Tell the readers of BLACK BELT that I share, with the late Bruce Lee, a certain taste for cannabis." It was hinted that he had dealt in narcotics. In a candid moment, he told the writer that he had been thrown out of the Army because of drug charges, though he maintained that it was a bump.

Toward the last part of his life, Dante was into drugs... not heavily, but definitely. He got drunk a lot, the way hard-living people do after a doctor has told them that the end might be in sight. And he had other problems. One night he called me at about 3:30 AM and apologized for being slightly incoherent. He was drunk, he said, and had been mixing liquor with some of his wife's surplus pain killers. She was suffering, he explained, from pernicious anemia that the doctors feared would develop into leukemia.

Jane Orr, Jim Concevic's number one confidante, told us, "At the time Jim was killed, he and Keehan favored each other a lot. Keehan had his brown curly hair, and he wore a beard and so did Jim. They were both the same height. But Keehan weighed less and had smaller bones. Sometimes I think it was a case of mistaken identity. They were trying to kill Keehan. A lot of people did so at the time. Jim had a school not far from the place where he was killed and he never had any beef with those people.

"Keehan is psychotic. I think he's crazy. Just from some of the things his girlfriend told me... he frightened me. Once I went to their apartment to visit Cynthia Brown (a pseudonym). No one would take me home, they got high on some kind of drugs, and I got scared. Keehan was into marijuana and pills. He really strung that poor girl out..."

BLACK BELT spent a couple of days trying to track down "Cynthia Brown." The writer finally tracked down a phone

number. A girl named Cynthia Brown answered the telephone. She had a pert kind of voice. We told her who we were and the voice got hard, cold and scared. "I don't want to talk to you. I don't care who you are. I don't know anyone named John Keehan or John Dante. I don't want you to call me again." The phone went dead.

The phone went dead a lot when we were checking into Dante's background. For every person who liked Dante there were two or three who loathed him. And for every one of those there was somebody who didn't dare talk about him at all. His legend may or may not have been true, but the fear he inspired was real enough.

It was said that Count Dante was an enforcer for the Chicago Syndicate. His students liked to play that up. So, on rare occasions, did he. In one unguarded moment, when he was visiting the coast for a tournament, he claimed he "... did two hits..." one "... for myself..." and another for a local gangster who is allegedly the acknowledged godfather of the New England Mafia.

Who was Count Dante to be doing stuff that heavy? Sicilian, he wasn't. His claim to the title of Count, he said, was through his mother's noble Spanish birth. His name had been legally changed to Count Juan Raphael Dante. Though he furnished BLACK BELT with the original certificate of his rank in the various arts he had acquired black belts in (see part I), he never came through with documentation of his title. In one mood, he would tell me with a characteristic snarl, "Look it up for yourself," and other times, he'd say, "A man's name should be what he says it is. No one questions that Cassius Clay is now Muhammad Ali. It doesn't bother anybody that Lew Alcindor is now Kareem Abdul Jabbar. Why do people question whether or not John Keehan is Count Dante?"

Count Dante stands in Bill Aguiar's hardwood-paneled office. On the desk in front of him are a few copies of his book, "The World's Deadliest Fighting Arts."

It's a book you see advertised in men's magazines and in comic books. He pays five figures a year for the ads in the Marvel comic series, and when we were talking to him, he was negotiating to put his ad in the DC (*Superman*, etc.) comic line.

"I am the most famous martial artist who ever lived," he said flatly. "Ask any martial artist who I am and either they won't know me or they'll say I'm shit.

But ask the average person on the street. He's heard two names that he relates with the martial arts, Bruce Lee and Count Dante.

"The martial arts boom is dying. A lot of the magazines are going to go under. But I'll still be here, big as life. Bigger."

The book was written between 1966 and '67, copyrighted in '68 and published at his own expense. It has sold millions of copies, probably more than any other martial arts book in history. It has made him a fortune.

He followed the book with the creation of the Black Dragon Fighting Society, which gives membership cards to anybody who buys the book and puts on the order card what belt color he wants his membership certificate to state. Also in the catalog are sweatpants and sweatshirts with the BDFS symbol on them, warmup jackets, acrylic yawara sticks and shuriken.

Mail order martial arts is still big business. John was making a bundle off it before anybody ever heard of Bruce Lee or Kwai Chang Caine. John protected that money the way your Syrian-American rug merchant protects his business—by putting everything in his wife's name.

Dante landed feet first in the bigtime martial arts again in March of 1975, as guest host of—and, some said, silent partner in—the infamous "Taunton Death Matches." What Dante had thought would be just another full-contact tournament along the lines of what Mike Anderson was popularizing had turned, he told me, into a debacle that brought New England-wide headlines, and with it, attention of people who don't like publicity for people associated with them. "I got a call," said John ominously. "When you get a call
