FLOYD WEBB SETTLEMENT PROPOSAL

After much thought and being the sole proprietor of the intellectual property and said copyright A86679, TX3161682, PAU2-673807, PAU2-617092 of the World's Deadliest Fighting Secret's and Worlds Deadliest Fighting Secrets II. My settlement proposal is as follows

1. No use of book **World's Deadliest Fighting 1969** nor use of book **World Deadliest Fighting Secrets 1991** nor any images relating to the two books titled **World's Deadliest Fighting Secrets**. And no logos relating to the **Black Dragon Fighting Society** and the **World Karate Federation**
2. No film use relating to copyright's PAU2-673807, and PAU2-617092. The photographer John F Creeden Jr is saying he can't use it. My father who is deceased William V Aguiar Jr is in the footage and has not asked permission to use it as I am the executor of his estate

also. And it is copyrighted. He has violated copyright for two years and has not abided and ignored a cease and desist order.

3. Damages for the following two years of copyright infringements and the repeated ignorance for the law.
Infringement for two years \$ 275,000
Relief \$ 300,000

Also I will be giving Mr. Webb an opportunity to clear his name of 2 years of infringements and fraudulent involvement. That now clouds Mr. Webb's public image as a video production person in a highly competitive field.
