Susan,

I am hopeful that we can reach a resolution of this issue. However, in the event that we cannot reach agreement on this issue, please provide a date this week for the discovery conference. We can take that date off calendar if we reach agreement.

Regards,

Sam

Hi Lina --

As you are no doubt aware from my out of office message, I was out when you sent your June 20 letter. Please do not make assumptions about the substance of our forthcoming response, which we will get to you this week. Should there be a need for further discussion after you have that response, we will make ourselves available.

regards,
Susan

Susan,

We have not yet received a response to the attached letter. Given the upcoming claim construction deadlines, please let us know whether Google is amenable to Skyhook's proposal regarding the

production of documents.

Thanks,
Lina
