Re: Jayme Gordon v. DreamWorks Animation SKG, Inc., et al.
USDC-MA - C.A. No. 1:11-cv-10255-JLT

Dear Mr. Zavin:

We are in receipt of your letter of today, which you term a response to Mr. Madera's letter of October 14, 2011. However, it is not a response at all.

You state in your letter that any investigation of Mr. Gordon has been done solely in connection with his claims and not done with an intention to harass or intimidate. That representation is simply not true. Your investigators have repeatedly followed Mr. Gordon, including actually chasing Mr. Gordon in his car on more than one occasion. Your investigators have also followed Mr. Gordon's wife, son, and his elderly mother. In addition, your investigators have shown a photograph of Mr. Gordon to Mr. Gordon's neighbors, implying that Mr. Gordon had done something improper. These encounters included minor children who were unaccompanied by an adult. Such actions have no connection to the claims at issue in this case and are solely designed to harass and intimidate. We intend to bring your activities to the attention of the Court and seek a protective order and appropriate sanctions.

Until this issue has been resolved, Mr. Gordon will not be sitting for his deposition, and will therefore not be appearing on Wednesday.

Very truly yours,

Gregory A. Madera
