Dear John:

This letter responds to your letter dated August 11, 2011.

We agree to make accessible for forensic examination and imaging, the electronic media and files that Mr. Gordon has located after a reasonable and diligent search. We will provide such materials to a third party forensic examiner provided defendants acknowledge and agree that (i) such media will be returned to Fish & Richardson immediately after the forensic examination and imaging is conducted; and (ii) any notes, reports, analysis or other communication from the forensic examiner regarding the results of the forensic examination are provided to Fish & Richardson within a day after defendants' receipt of same.

We can discuss the details this week.

Very truly yours,

/KXM/
