Re: *Jayme Gordon v. DreamWorks Animation SKG, Inc., et al.,*
USDC, D. Mass. C.A. No. 1:11-cv-10255-JLT

Dear Mr. Zavin:

ATLANTA

BOSTON

DALLAS

DELAWARE

NEW YORK

SILICON VALLEY

SOUTHERN CALIFORNIA

TWIN CITIES

WASHINGTON, DC

We have learned that private investigators, including Jim Lane, have been watching and following Jayme Gordon—and members of his family, including his wife and son—on numerous occasions over the last few weeks causing them to become fearful and distressed. We also understand that investigators have contacted Mr. Gordon's neighbors, including children, asking questions about Mr. Gordon and showing the picture of Mr. Gordon that was included in his Complaint against DreamWorks. In addition, a representative of Marcum LLP has called at least one of Mr. Gordon's friends seeking information about Mr. Gordon and asking about the case involving Kung Fu Panda. These facts strongly suggest that DreamWorks or its counsel is behind these disturbing events.

As one might expect, and presumably as intended, these actions are very upsetting to Mr. Gordon and his family. Because such investigations have no relevance to or bearing on Mr. Gordon's copyright infringement claims, we must conclude that this is being done to harass and intimidate our client. We demand that all such investigations and harassment stop immediately.

Please immediately advise us whether your firm, co-counsel, or DreamWorks have hired private investigators to investigate Mr. Gordon. If so, please identify the investigators that have been hired, describe the steps such investigators have taken with respect to Mr. Gordon, explain why DreamWorks elected to investigate Mr. Gordon, and provide us with any reports that have been furnished to you, your co-counsel, or your client from an investigator concerning Mr. Gordon.

Please provide your response as soon as possible and no later than Monday, October 17.

Very truly yours,

Gregory A. Madera
