## ORDER

WOLF, D.J.

February 2, 2014

Defendants have filed a Motion for Clarification of Court's Memorandum and Order Dated March 13, 2013. In that Memorandum and Order, the court: denied plaintiff's motion for appointment of counsel; allowed plaintiff's motion to amend the complaint; denied without prejudice plaintiff's Petition for Writ of Habeas Corpus Ad Testificandum; denied two other motions as moot; and issued a scheduling order, which ordered defendants to respond to the amended complaint by April 19, 2013. See Mar. 13, 2013 Memo. & Order at 7; Mar. 13, 2013 Scheduling Order at 1.

In the Motion for Clarification, defendants ask whether the Amended Complaint attached to the Motion to Amend, both of which are Docket No. 21, should be deemed filed. This should have been evident as the court ordered a response to the Amended Complaint be filed by April 19, 2013. However, the court hereby confirms that the Amended Complaint which is part of Docket No. 21 is the operative complaint. In addition, as defendants note, the March

13, 2013 Order, in paragraph 5, erroneously states that the Motion to Amend being allowed was Docket No. 17 rather than Docket No. 21.

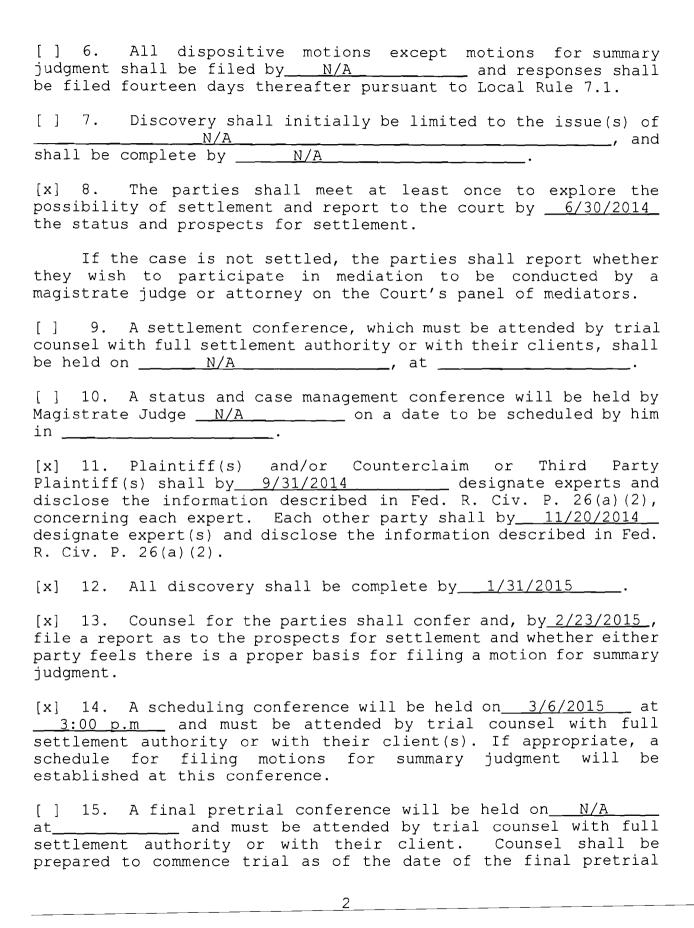

In view of the foregoing, it is hereby ORDERED that:

- 1. Plaintiff's Motion to Amend (Docket No. 21) is ALLOWED.
- 2. The parties shall comply with the attached Scheduling Order.
